An act to add Section 8545.7 to the Government Code, and to amend Sections 23000, 23001, 23003, and 23004 of, and to add Sections 23000.5, 23001.5, 23003.5, 23005, and 23006 to, the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 1248, as amended, Bryan. Local redistricting: independent redistricting commissions.

Existing law generally requires county boards of supervisors, city councils, and the governing boards of school districts, community college districts, and other special districts, if those bodies are elected using district-based elections, to adopt new boundaries for the districts following each federal decennial census. Notwithstanding that requirement, existing law authorizes a local jurisdiction other than a charter city to establish an independent redistricting commission to adopt new boundaries for the local jurisdiction's districts.

This bill would require a county, general law city, charter city, ~~school district, or community college district~~ *or charter city and county that contains over 300,000 residents residents, and a school district or*

*community college district that contains over 500,000 residents, to establish an independent redistricting commission to adopt district boundaries after each federal decennial census. The bill would require a county, ~~city, general law city, charter city, or charter city or county school district, or community college district~~ with over 300,000 residents residents, and a school district or community college district with over 500,000 residents, that does not enact an ordinance, resolution, or charter amendment establishing an independent redistricting commission by March 1, 2030, and March 1 of every subsequent year ending in 0, to establish a 14-member independent redistricting commission according to specified procedures, including procedures for the random selection of the members of the commission from among applicants meeting certain qualifications. By requiring certain local jurisdictions to establish independent redistricting commissions to adopt district boundaries, the bill would impose a state-mandated local program.*

The bill would prohibit a member of an independent redistricting commission from communicating with any individual or organization regarding redistricting matters, except as provided. The bill would require the State Auditor to provide the contact information of any applicant to serve on the Citizens Redistricting Commission, which is responsible for adjusting the boundary lines of the congressional, legislative, and State Board of Equalization districts, to any city or county that has established an independent or hybrid redistricting commission and to inform those applicants of opportunities to serve on an independent or hybrid redistricting commission.

Under existing law, independent redistricting commissions have been established for the Counties of Los Angeles, San Diego, Riverside, Fresno, and Kern.

The bill would exempt the Counties of Los Angeles, San Diego, Riverside, Fresno, and Kern from the bill's provisions requiring a county with over 300,000 residents to establish an independent redistricting commission, unless the existing law provisions establishing independent redistricting commissions for those counties are repealed or invalidated.

The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. The Legislature finds and declares all of the  
2 following:

3 (a) To maintain a healthy democracy in California, it is  
4 important that communities are fairly and equitably represented.

5 (b) The State of California has a strong state interest in ensuring  
6 that cities, counties, and other jurisdictions follow a fair and  
7 equitable redistricting process to ensure representation of  
8 communities, and thus redistricting is not solely a municipal affair.

9 (c) The State of California has a strong state interest in the  
10 integrity of elections throughout the state, and a fair and equitable  
11 redistricting process ensures the integrity of elections.

12 (d) In the 2020 redistricting cycle and historically, observations  
13 of the redistricting process in California jurisdictions conducted  
14 by independent redistricting commissions indicate independent  
15 redistricting commissions lead to better outcomes for communities  
16 in terms of fairness, transparency, public engagement, and  
17 representation.

18 (e) Independent redistricting commissions help thwart threats  
19 of minority vote dilution.

20 (f) Political appointment of commissioners has been found to  
21 create potential conflicts of interest and opportunity for corruption  
22 of the redistricting process.

23 SEC. 2. Section 8545.7 is added to the Government Code, to  
24 read:

25 8545.7. (a) The State Auditor shall provide the contact  
26 information of any applicant to serve as a commissioner on the  
27 Citizens Redistricting Commission established pursuant to Article  
28 XXI of the California Constitution to any city or county that has  
29 established an independent or hybrid redistricting commission.

30 (b) After an applicant is no longer being actively considered for  
31 appointment to the Citizens Redistricting Commission, the State

1 Auditor shall inform that applicant of opportunities to serve on an  
2 independent or hybrid redistricting commission for any city or  
3 county of which the applicant is a resident, if any, and provide an  
4 internet link to the application, where available.

5 (c) At least three months before the application period to serve  
6 on the Citizens Redistricting Commission opens, the State Auditor  
7 shall make a good faith effort to identify all local hybrid and  
8 independent redistricting commissions in the state.

9 (d) The State Auditor is encouraged to also provide specific  
10 information about opportunities to serve on local independent or  
11 hybrid redistricting commissions for jurisdictions other than cities  
12 or counties to an applicant who is no longer being actively  
13 considered for appointment to the Citizens Redistricting  
14 Commission if the State Auditor can determine that an applicant  
15 likely resides in those jurisdictions.

16 SEC. 3. Section 23000 of the Elections Code is amended to

23 read:

24 23001. A local jurisdiction, except for a jurisdiction that is  
25 required to create an independent redistricting commission pursuant

34 (c) Subdivisions (a) and (b) do not apply to a local jurisdiction  
35 that, before January 1, 2023, established an independent  
36 redistricting commission for which no commissioners are directly  
37 appointed by the board or any elected official of the local  
38 jurisdiction.

39 (d) (1) For purposes of subdivisions (a) and (b), the latest  
40 available estimate of a county or city's population by the

1 Department of Finance, pursuant to Section 2227 of the Revenue  
2 and Taxation Code or a successor statute, on July 1 of each year  
3 ending in the number nine is determinative.

4 (2) The Department of Finance shall prepare a population  
5 estimate for each school district and community college district  
6 by May 1 in each year ending in the number nine. This estimate  
7 of a school district's population or community college district's  
8 population shall be determinative for the purposes of subdivision  
9 (b).

10 SEC. 7. Section 23003 of the Elections Code is amended to

22 process open to all eligible residents and provided that the  
23 commissioners are not directly appointed by the legislative body  
24 or an elected official of the local jurisdiction.

25 (2) Paragraph (1) does not apply to a local jurisdiction required  
26 to establish an independent redistricting commission pursuant to  
27 Section 23005 or Section 23006.

28 (c) A person shall not be appointed to serve on the commission

29 (h) The commission is subject to the Ralph M. Brown Act  
30 (Chapter 9 (commencing with Section 54950) of Part 1 of Division  
31 2 of Title 5 of the Government Code) and the California Public  
32 Records Act (Division 10 (commencing with Section 7920.000)  
33 of Title 1 of the Government Code).

34 (i) The commission shall be subject to the same redistricting  
35 deadlines, requirements, procedures, criteria, and restrictions that

14 recommendations provided by a hybrid redistricting commission,  
15 shall not be altered by the legislative body or the commission until  
16 after the next federal decennial census occurs, unless those  
17 boundaries have been invalidated by a final judgment or order of  
18 a court of competent jurisdiction, or as may be necessary to account  
19 for changes to a jurisdiction's territory, including changes through  
20 annexation or consolidation.

21 (m) For the purposes of subdivisions (c) and (d), "local  
22 jurisdiction" does not include a local jurisdiction that contracts  
23 with a county independent redistricting commission pursuant to  
24 Section 23004.

25 SEC. 8. Section 23003.5 is added to the Elections Code, to  
26 read:

27 23003.5. (a) (1) A member of an independent redistricting  
28 commission established pursuant to subdivision (a) or subdivision  
29 (b) of Section 23001.5 shall not communicate with any individual

34 (2) This subdivision does not restrict a commissioner from  
35 directly communicating with another commissioner, commission  
36 staff, legal counsel, or consultants retained by the commission.

37 (b) A member of an independent redistricting commission  
38 established pursuant to subdivision (a) or subdivision (b) of Section  
39 23001.5 shall receive a stipend, in an amount to be determined by  
40 the local jurisdiction, for each day in which they attend any meeting

1 of the commission or any meeting of a committee or subcommittee  
2 of the commission, of which committee or subcommittee they are  
3 a member and which committee or subcommittee meeting is  
4 conducted for the purpose of carrying out the powers and duties  
5 of the commission.

6 (c) A local jurisdiction shall provide for reasonable funding and  
7 staffing of a commission established pursuant to subdivision (a)  
8 or subdivision (b) of Section 23001.5.

10 established by an ordinance, resolution, or charter amendment of  
11 the local jurisdiction, as described in Section 23001.5, and  
12 independent redistricting commissions established pursuant to  
13 Section 23005 or Section 23006.

14 SEC. 9. Section 23004 of the Elections Code is amended to  
15 read:

16 23004. A local jurisdiction, except for a county, may contract  
17 with a county in which the local jurisdiction is partially or wholly  
18 located that has established an independent redistricting  
19 commission to have that commission adopt the local jurisdiction's  
20 election district boundaries. The county independent redistricting  
21 commission shall hold at least three public hearings in the local  
22 jurisdiction before adopting those boundaries, or the number of  
23 public hearings that would otherwise apply to the legislative body  
24 for which district boundaries are being drawn, whichever is greater.

25 SEC. 10. Section 23005 is added to the Elections Code, to read:

26 23005. (a) In each county required to establish an independent  
27 redistricting commission pursuant to paragraph (2) of subdivision  
28 (a) of Section 23001.5, in the year following the year in which the  
29 decennial federal census is taken, the commission shall adjust the  
30 boundary lines of the supervisorial districts in accordance with  
31 this section.

32 (b) (1) The selection process is designed to produce a  
33 commission that is independent from the influence of the board  
34 of supervisors and reasonably representative of the county's  
35 diversity.

36 (2) The county shall recruit eligible residents to apply to serve  
37 on the commission. The county shall request the assistance of  
38 neighborhood associations, community groups, civic organizations,  
39 and civil rights organizations to encourage eligible residents to  
40 apply to serve on the commission in a manner that promotes a

1 qualified commissioner applicant pool that is large and reflective  
2 of the diversity of the county.

3 (c) (1) The commission shall consist of 14 members and 2  
4 alternates.

5 (2) At least one commission member shall reside in each of the  
6 existing supervisorial districts, ~~to the extent feasible given the~~  
7 ~~number of existing~~ districts.

8 (3) Alternates may fully participate in commission deliberations  
9 but shall not vote and shall not be counted towards the  
10 establishment of a quorum. Alternates are subject to the same terms  
11 of office, qualifications, restrictions, and standards of conduct as  
12 other commissioners.

13 (d) Each commission member shall meet all of the following  
14 qualifications in addition to those listed in Section 23003:

15 (1) Be a resident of the county.

16 (2) Possess a history of civic engagement and participation.

17 (3) Possess experience that demonstrates analytical skills  
18 relevant to the redistricting process and voting rights, and possess  
19 an ability to comprehend and apply the applicable state and federal  
20 legal requirements.

21 (4) Possess experience that demonstrates an ability to be  
22 impartial.

23 (5) Possess experience that demonstrates an appreciation for  
24 the diverse demographics and geography of the county.

25 (e) An interested person meeting the qualifications specified in  
26 subdivision (d) and Section 23003 may submit an application to  
27 the selection entity to be considered for membership on the  
28 commission. The selection entity shall review the applications and  
29 eliminate applicants who do not meet the specified qualifications.

30 (f) (1) From the pool of qualified applicants, the selection entity  
31 shall select 60 of the most qualified applicants, taking into account  
32 the requirements described in subdivision (d). The selection entity  
33 shall make public the names of the 60 most qualified applicants  
34 for at least 30 days. The selection entity shall not communicate  
35 with a member of the board of supervisors, or an agent for a  
36 member of the board of supervisors, about any matter related to  
37 the nomination process or applicants before the publication of the  
38 list of the 60 most qualified applicants.

39 (2) During the period described in paragraph (1), the selection  
40 entity may eliminate any of the previously selected applicants if

1 the selection entity becomes aware that the applicant does not meet  
2 the qualifications specified in subdivision (d).

3 (g) (1) After complying with the requirements of subdivision  
4 (f), the selection entity shall create a subpool for each of the five  
5 existing supervisorial districts.

6 (2) (A) At a regularly scheduled meeting of the county board  
7 of supervisors, the Auditor-Controller of the county or clerk of the  
8 county board of supervisors shall conduct a random drawing to  
9 select one commissioner from each of the five subpools established  
10 by the selection entity.

11 (B) After completing the random drawing pursuant to  
12 subparagraph (A), at the same meeting of the county board of
